

## piechart

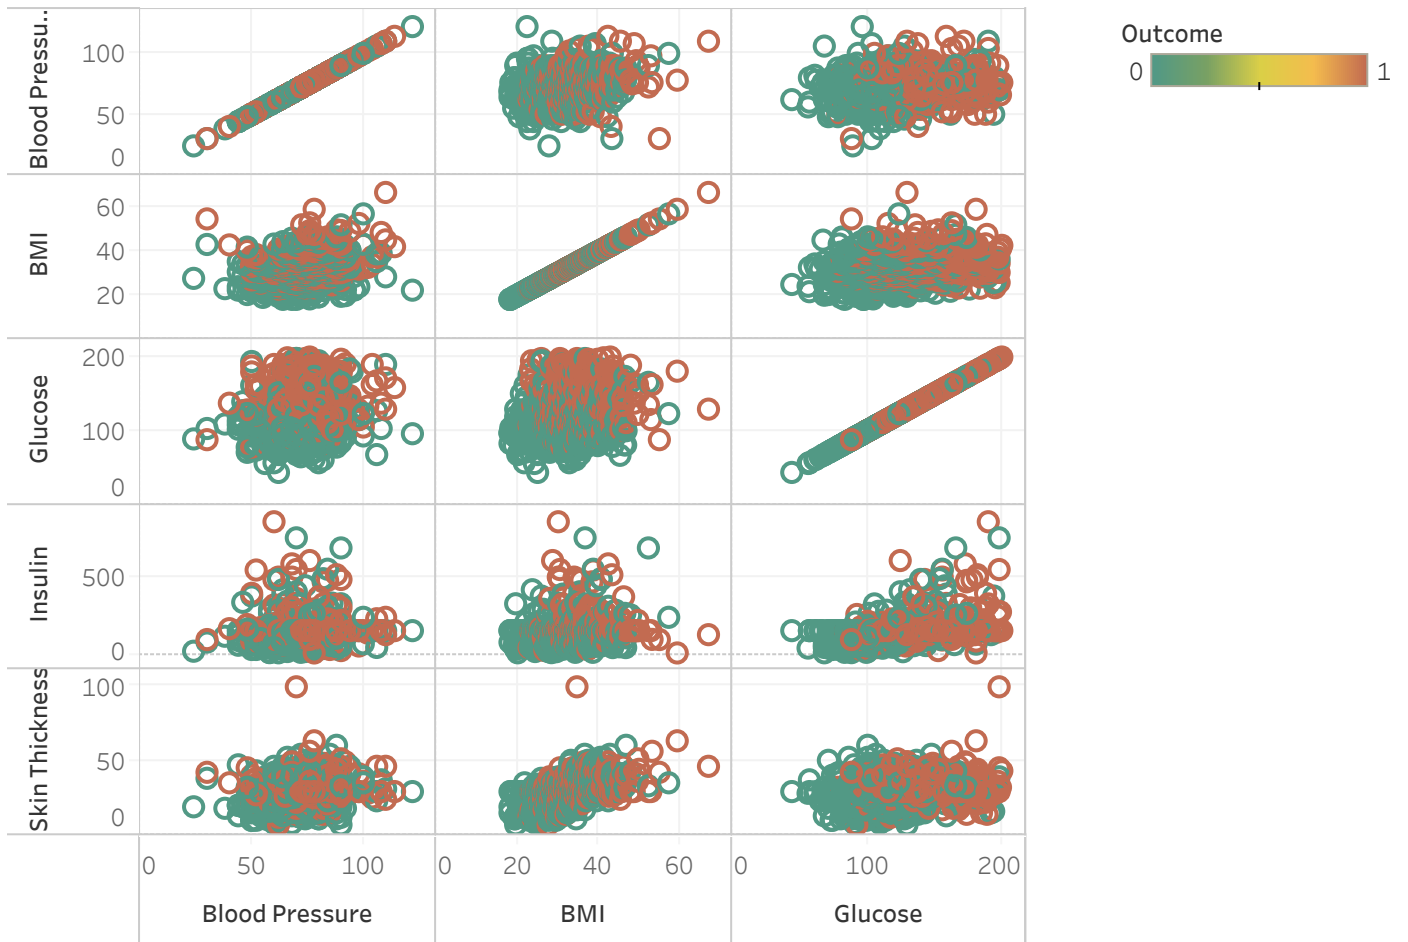

Outcome (bin) (color) and sum of Outcome (size).

piechart

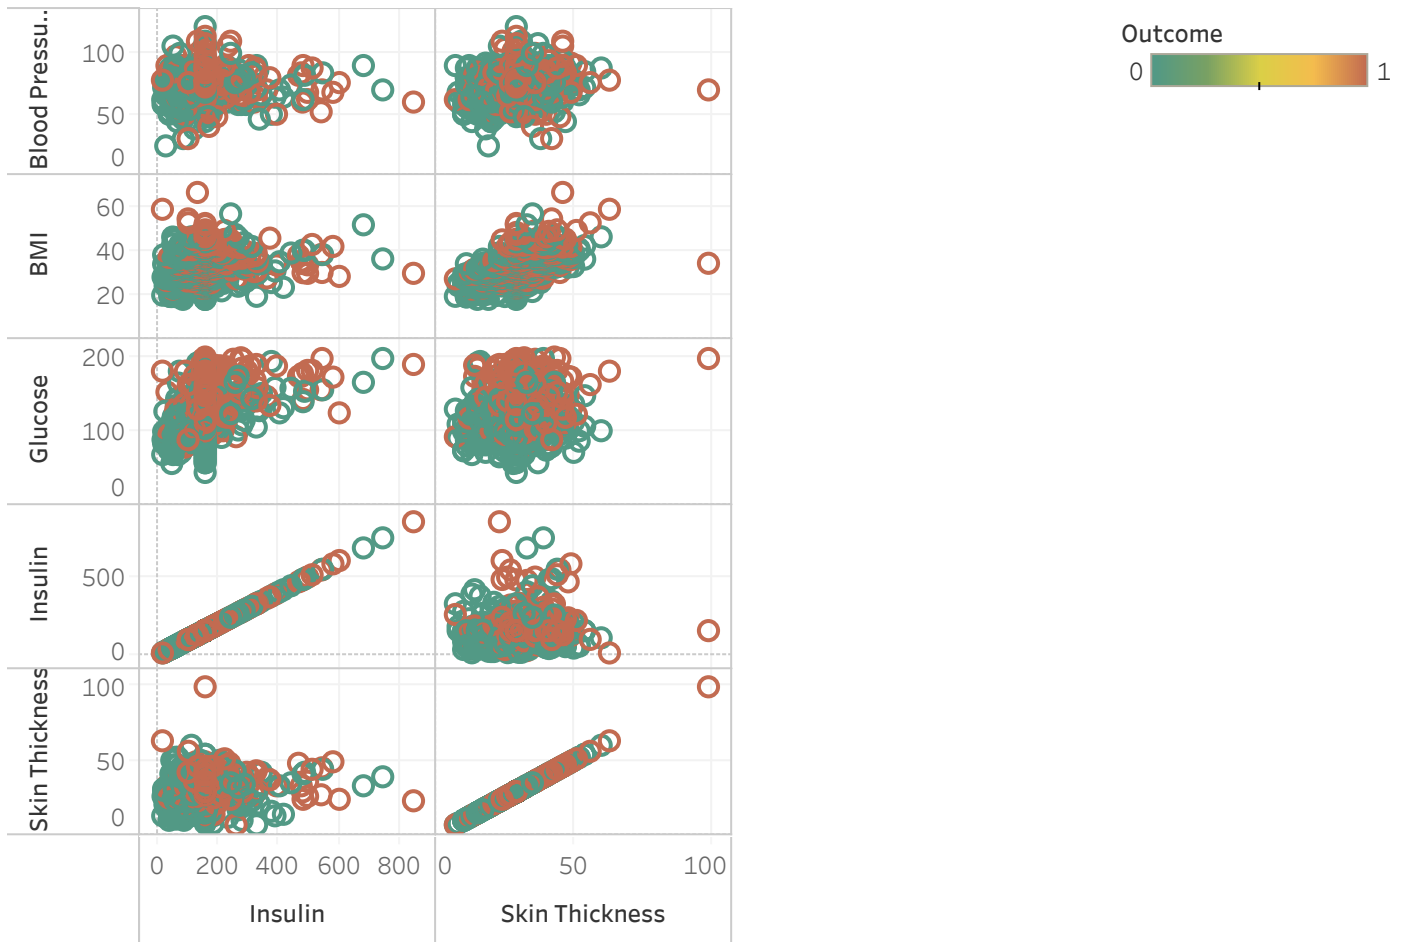

Outcome (bin) (color) and sum of Outcome (size).

## scatter plot

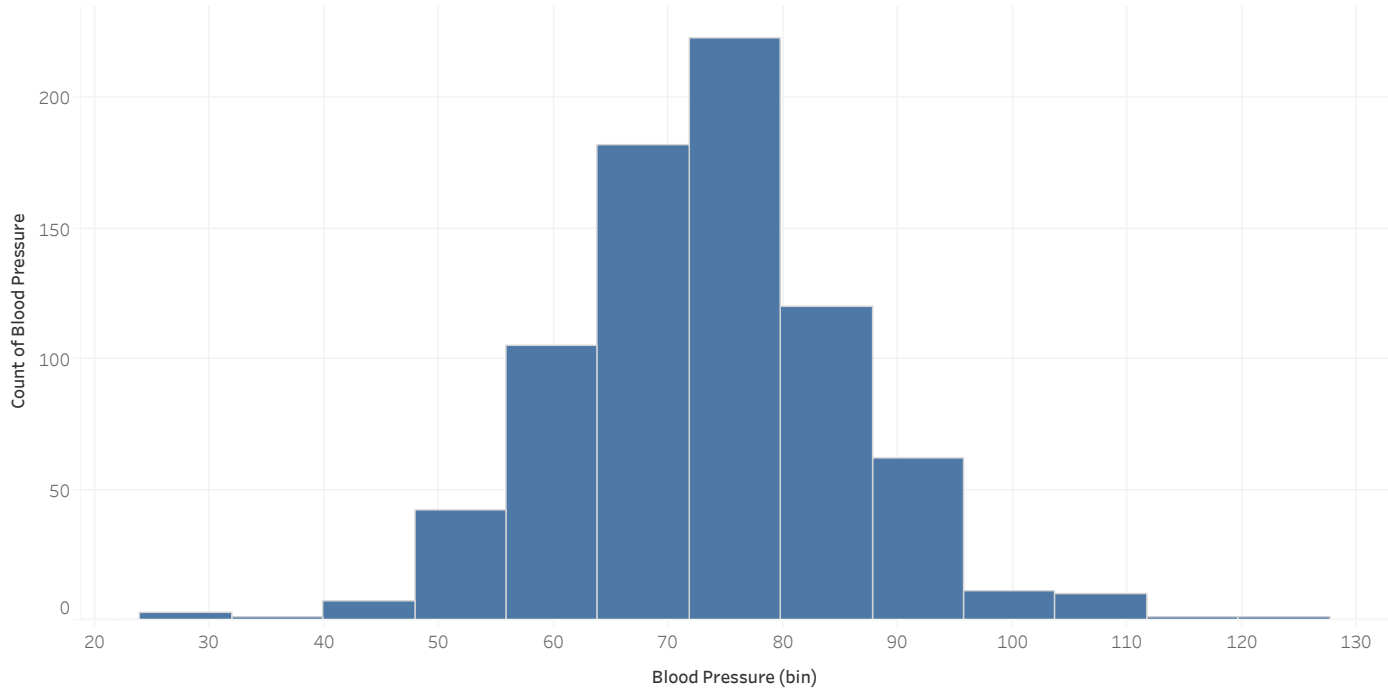

Blood Pressure, BMI, Glucose, Insulin and Skin Thickness vs. Blood Pressure, BMI, Glucose, Insulin and Skin Thickness. Color shows Outcome.

## scatter plot

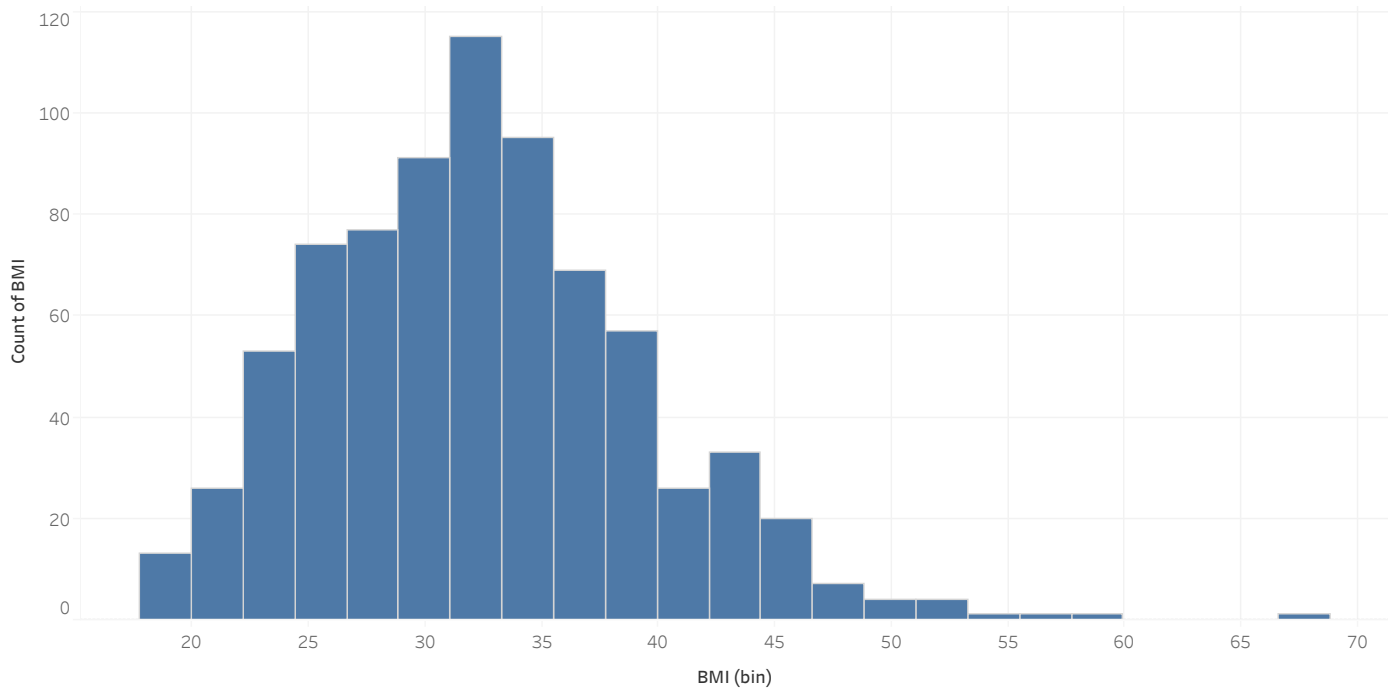

Blood Pressure, BMI, Glucose, Insulin and Skin Thickness vs. Blood Pressure, BMI, Glucose, Insulin and Skin Thickness. Color shows Outcome.

bp

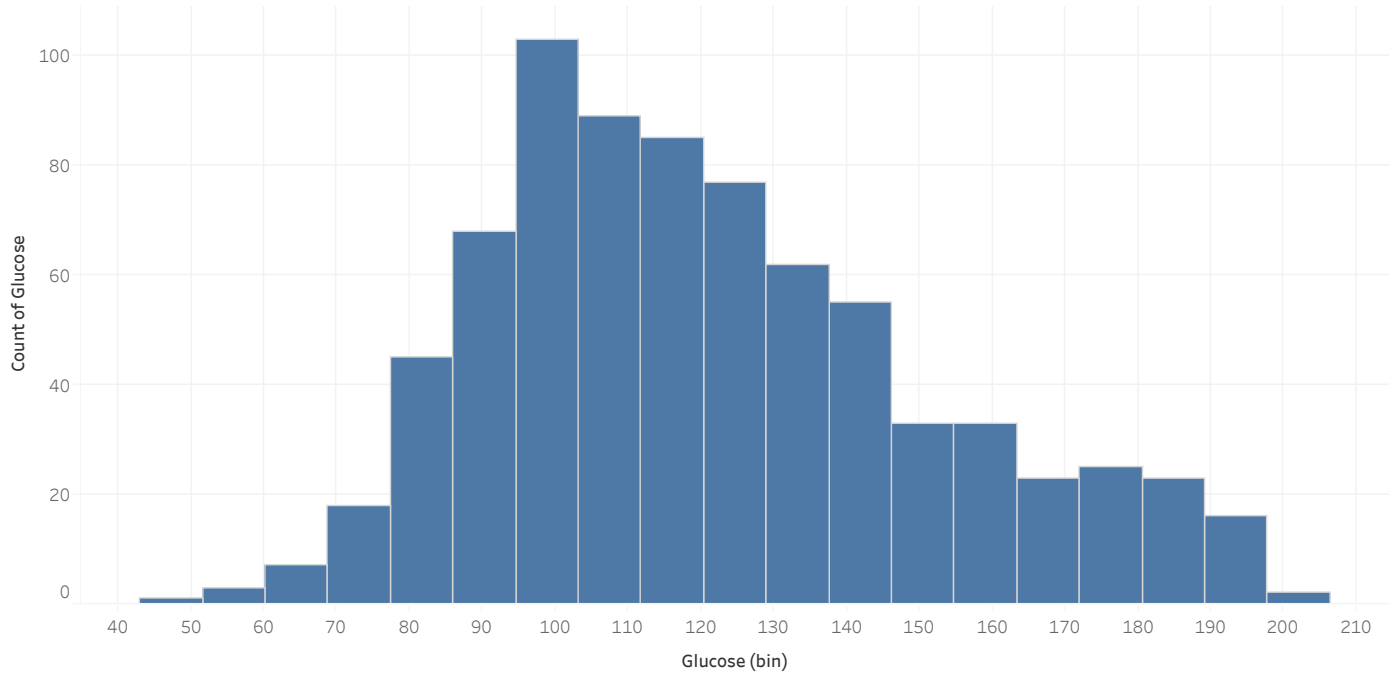

The trend of count of Blood Pressure for Blood Pressure (bin).

BMI

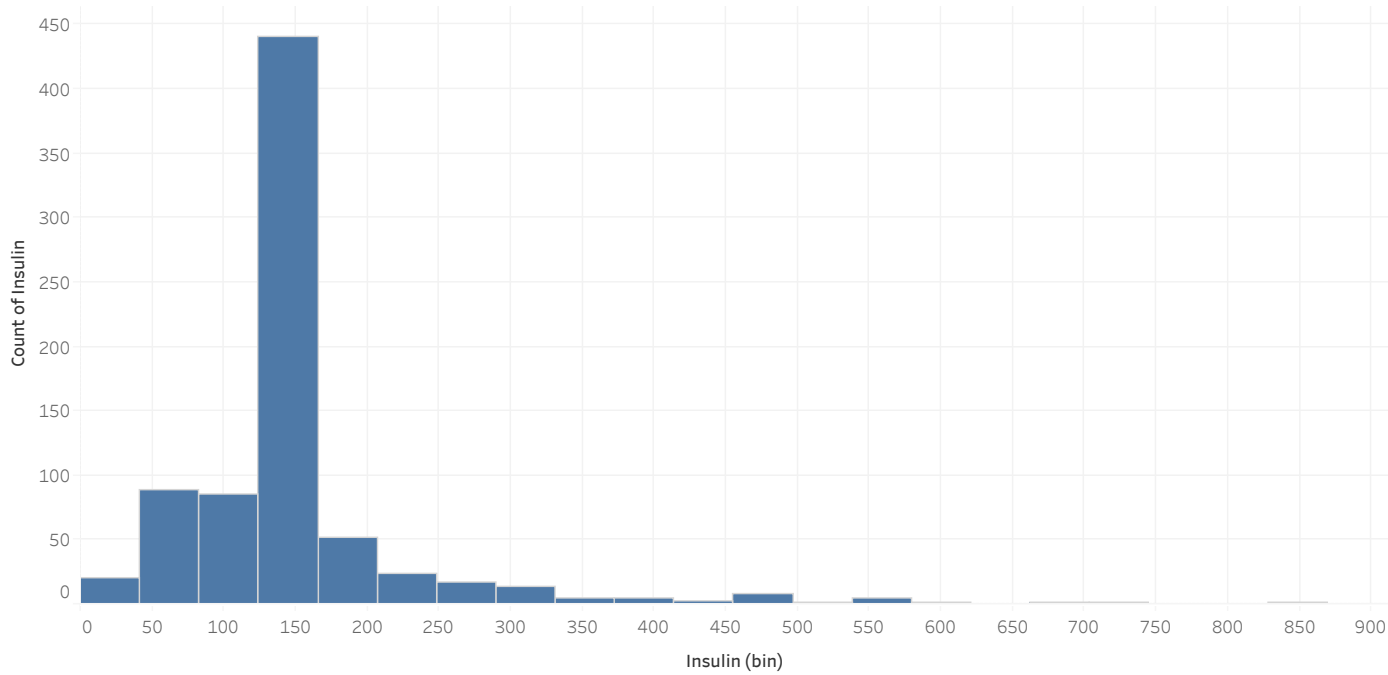

The trend of count of BMI for BMI (bin).

glucose

The trend of count of Glucose for Glucose (bin).

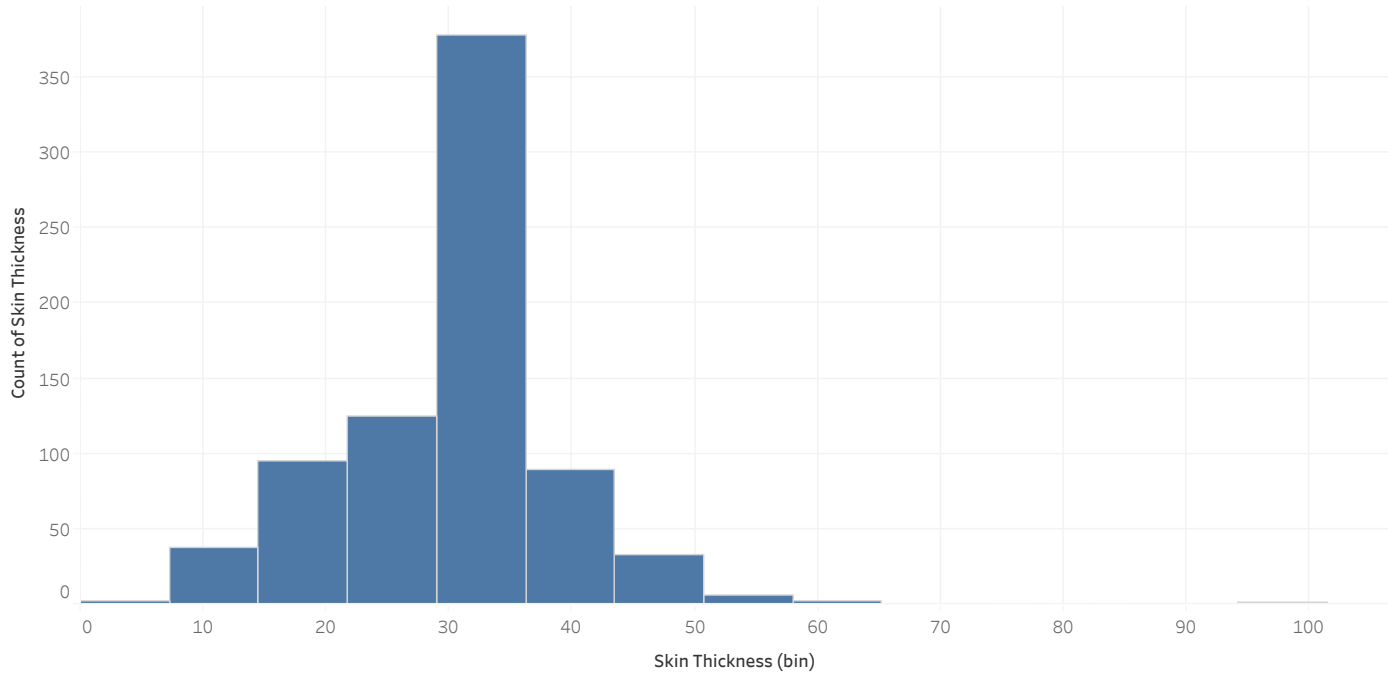

insulin

The trend of count of Insulin for Insulin (bin).

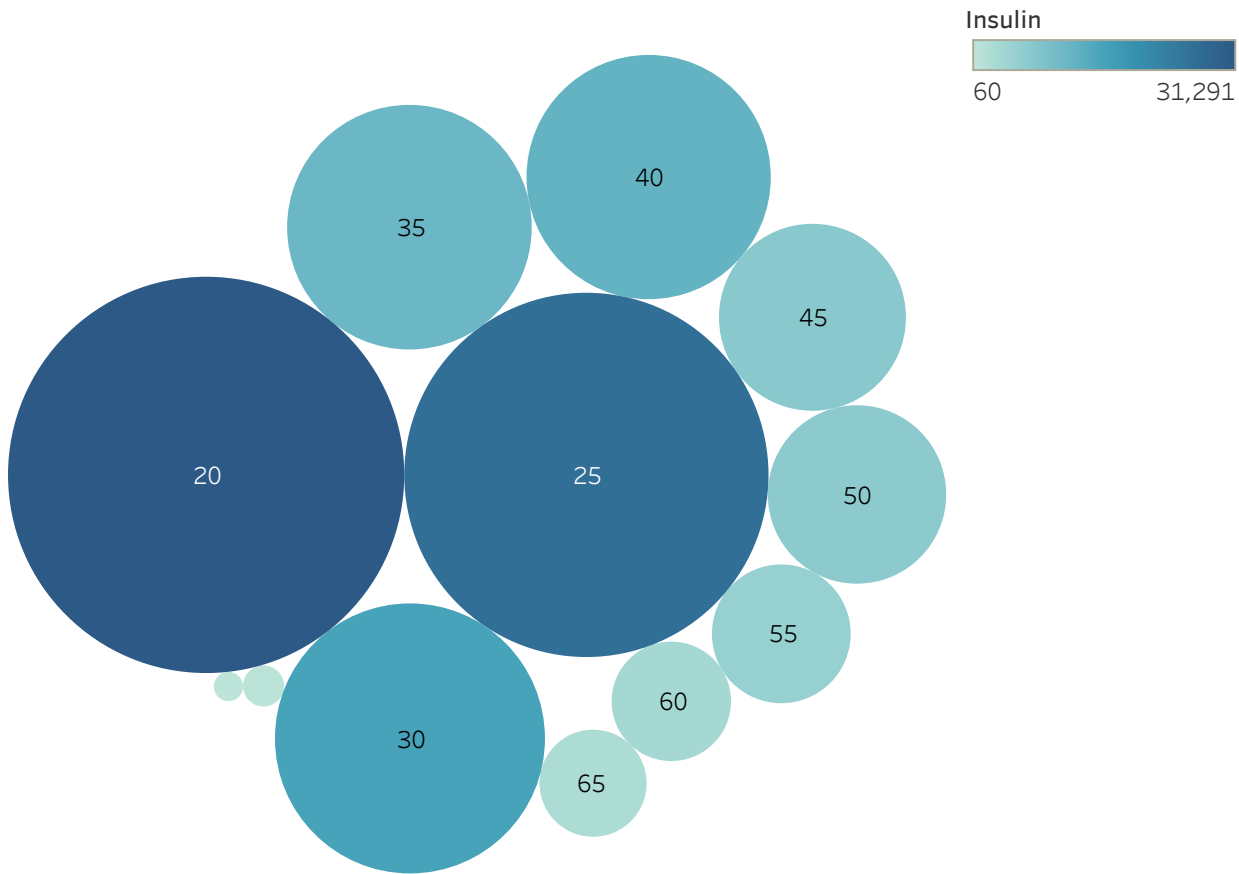

skin thickness

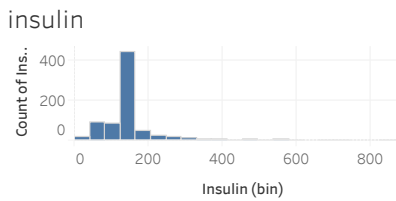

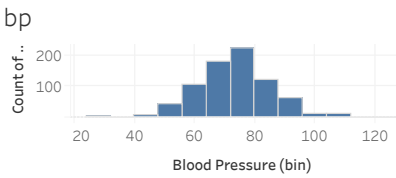

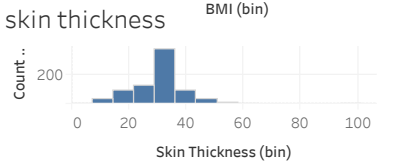

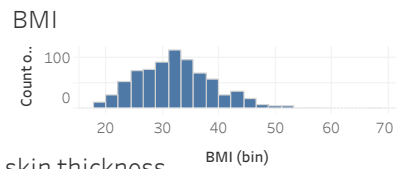

The trend of count of Skin Thickness for Skin Thickness (bin).

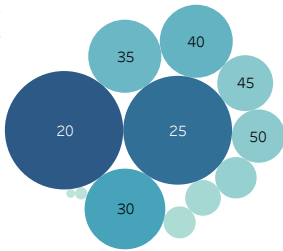

## bubblechart

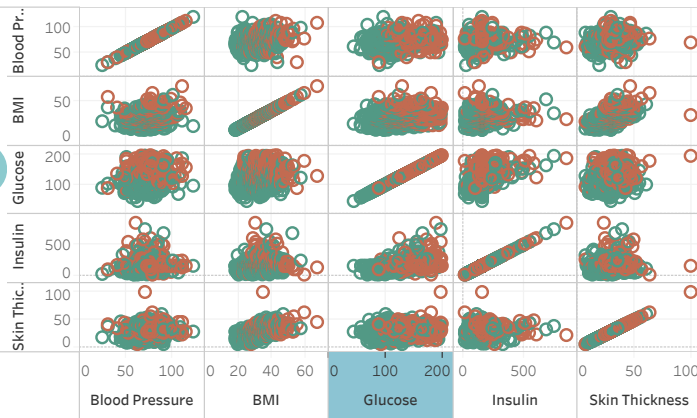

Age (bin) 2. Color shows sum of Insulin. Size shows sum of Glucose. The marks are labeled by Age (bin) 2.
